listing Description

Pitch N Hire is a cutting-edge platform equipped with an AI-driven Applicant Tracking System (ATS) designed to streamline the recruitment process. This system automates key functions such as candidate sourcing, resume parsing, interview scheduling, and assessments, enhancing both efficiency and accuracy for recruiters. With advanced features like predictive analytics, customizable career portals, and in-depth candidate profiles, Pitch N Hire ensures a seamless and efficient hiring journey. Additionally, its user-friendly interface facilitates video interviews and provides robust tools to oversee the entire recruitment lifecycle.
