listing Description

WS Law Women's Clinic and Laparoscopic Surgery Centre is a trusted [gynae clinic](#) in Singapore. It is headed by Dr Law Wei Seng, an experienced male gynaecologist who pledges to deliver comprehensive care for women's reproductive health. This recommended gynae clinic in Mount Elizabeth Novena guides mothers-to-be through every stage of pregnancy and childbirth with expert care. The clinic uses advanced laparoscopic techniques, including keyhole and SILS surgeries, to minimise recovery times. In addition, WS Law Women's Clinic also serves as a one-stop treatment centre for abnormal menstrual cycles. Its commitment extends to menopausal management and addressing common gynaecological concerns, supplemented by other women's health services.
